

Introducing the
Smart Saver Rx Card
Program

It costs you nothing,
and will save you lots.

The **Smart Saver Rx Card** program offers you the opportunity to save big on your prescription drugs.

How much will I save? Save up to 40%. Your savings will vary, depending on the prescription drug and the quantity purchased.

Who can use this card? You and your family can use this card to purchase prescription medications.

What will it cost me? The Smart Saver Rx Card costs you absolutely nothing. There is no monthly or annual fee to participate in this program. You simply pay the negotiated discount price or the pharmacy's retail price, whichever is lower.

Does my local pharmacy accept this card? There are over 60,000 retail pharmacies nationwide participating in this program, including most chain pharmacies and many independents.

Simply cut out the card and start saving!

Take your prescription to one of the 60,000+ retail pharmacies that honor the Smart Saver Rx Card, present your card and a valid prescription to the pharmacist, and the pharmacy will apply the discount. That's all you have to do.

Actual card. Cut it out and start saving.
